

BACKHAUL TRANSMISSION CAPACITY ALLOCATION METHOD

1. The capacity request for gas year 2013 – 2014 shall be submitted during 26 – 27 June 2013. Each registered capacity request shall be within the limit of the available capacity.

The capacity request prepared according to Annex 3 to Backhaul Regulation, accompanied by statement on interconnection point counterpart/counterparts the backhaul capacity is requested for, shall be delivered by fax at the following fax no. 0269/831720.

2. The backhaul transmission capacity shall be allocated to each network user at the level of registered request, including the cases in which the sum of the registered requests exceeds the available capacity.
