---

C) Location (specify one of the following locations as appropriate: municipality, town, city) where the applicant's investment project will be developed:

---

---

D) Type of incremental capacity:

Entry   
Exit

E) Required level of incremental capacity – MWh/h:

Year	Min	Max
1 _____	_____	_____
2 _____	_____	_____
3 _____	_____	_____
4 _____	_____	_____
5 _____	_____	_____
6 _____	_____	_____
7 _____	_____	_____
8 _____	_____	_____
9 _____	_____	_____
10 _____	_____	_____

... To be filled in according to the period requested.

**NOTE: Indicate the gross calorific value (GCV), corresponding to the reference conditions, used in the calculation of the above capacity. [kWh/mc]**

F) Deadline (Only for applications for incremental capacity conditional on the estimated date of the applicant's final investment decision):

---

G) Requested start date:

---

H) Minimum number of years for which incremental capacity is required from the start date:
