## DETAILED CONTENT

The net profit to be distributed according to the financial statements and to the "Statement of comprehensive income" after the deduction of the income tax amounts to lei 168.440.520.

The proposal for the distribution of the net profit for 2023 was put forth according to the provisions of G.O. no. 64/2001 on the distribution of profit in national companies, national companies and trading companies fully or mainly controlled by the State, as well as autonomous companies, as amended, the specifications approved by Order of the MPF 144/2005 on the approval of the Specifications for the determination of the amounts subject to profit distribution according to GO no 64/2001 on the distribution of profits in national companies, national companies and trading companies fully or mainly controlled by the State, as well as autonomous companies approved as amended by Law 769/2001, as amended and the provisions of Law 227/2015 on the Tax Code.

The net profit was allocated as dividends in a share of $\mathbf{5 1 , 1 2 0 9 0 9} \%$. The distribution rate provided for in the revenue and expense budget for 2023 approved by OGMS Resolution no. $2 / 16.02 .2023$ is $50 \%$.

The calculations of the net profit amounts distributed are indicated in the annex to this report on which we make the following clarifications:
$\stackrel{H}{4}$ legal reserves amounting to lei $\mathbf{1 0 . 3 4 4 . 0 6 5 , 5 4}$ calculated by the application of a percentage of $5 \%$ to the accounting profit, before the determination of the corporate income tax according to the provisions of Article 183 (1) and (2) of Law no.31/1990 on companies, republished as amended. According to Art. 183 para. (1) of Law no.31/1990 on trading companies, republished as amended, at least $5 \%$ of the company's profits shall be taken over each year to form the reserve fund, until it reaches at least one fifth of the share capital.
$\stackrel{4}{4}$ amounts of lei 40.845.860,72 were distributed to reserves, according to Article 22 of Law no. 227/2015 on the Tax Code and represents the profit invested in technological equipment-machines, machinery and working installations, electronic computers and peripheral equipment, cash register, control and invoicing machines and appliances, as well as in software, produced and/or purchased and put into operation, used for the purpose of carrying out the economic activity. According to this article, the amount of the profit for which exemption from corporation tax has been granted, less the part relating to the legal reserve, shall be allocated at the end of the financial year or during the following year, with priority for the establishment of reserves up to the amount of the accounting profit recorded at the end of the financial year;
$\stackrel{\wedge}{\wedge}$ the employees` participation to the profit in the amount of lei 11.725.059,37 was determined within the limits of \(10 \%\) of the net profit remaining after deduction of the above amounts but not more than the level of the average monthly basic salary paid to each employee during 2023; \(\stackrel{4}{4}\) dividends due to shareholders were determined according to Order no. 144/2005 of the Ministry Public Finance, by applying the share of 51,120909 \% to the net profit after its reconsolidation with the amount of the costs representing employees` participation in the profit sharing, affecting the gross profit before taxation.
$\stackrel{4}{4}$ the retained earnings, for establishing own financing sources, were determined as the difference between net profit to be allocated and the profit proposed to be allocated according to GO no 64/2001.

The proposal regarding profit sharing according to GO no 64/2001 is presented in the table below:
