NATIONAL NATURAL GAS TRANSMISSION SYSTEM - BALANCE AREAS MAP -

Date of realization: 14.08.2012
Last update: 13.08.2025

Caption

- Technological Node
- Valve Control Station
- Natural Gas Compressor Station
- Unidirectional technological flow meter
- Bidirectional technological flow meter
- Gas transmission main pipeline of the zero system transportation with nominal diameter Øx"
- Gas transmission pipeline of the regional gas transmission system with nominal diameter Øx"
- Interconnection of neighboring gas transmission system
- Local interconnection of transmission pipelines, normally closed
- Natural gas metering control station
- Gas production entry point
- Underground storage

A map fragment showing a river area. Labels include 'ZB1605' near a small structure, 'Jupa' near a bridge, 'ZB1604' further downstream, and 'REȘIȚA' near a bend in the river. A blue line represents the river, and a green line represents a road or path.
