

22 February 2019

Dear partners,

Further to the requests we received from the Network Users on the Extension of Bid Submission Window III within the ROHU Binding Open Season Procedure, we would like to notify you of the National Regulatory Authorities approval of such extension by 30 May 2019.

FGSZ and Transgaz have also agreed the following proposal on the conduct of the stages subsequent to the Bid Submission Window III. MEKH has already approved and we are going to let you know as soon as ANRE has also approved it in details.

Milestone	Original date	Proposed date
Bid submission window III: Bidders may submit new (additional) Bids for the remaining available capacity to TSOs	05.02.2019 - 25.02.2019	05.02.2019-30.05.2019 (approved by ANRE)
Economic Test IV	25.02.2019- 04.03.2019	30.05.2019-06.06.2019
TSO to publish aggregated allocation results	11.03.2019	13.06.2019
In case of positive Economic Test IV		
Successful completion of the OS procedure (contracts concluded before 14.12.2018 remain in place. TSO to inform Successful Bidders). TSOs to send acceptance of Bids in form of contract duly signed by TSO to Successful Bidders.	12.03.2019	14.06.2019
Successful Bidders to return signed contract to TSO.	26.03.2019	28.06.2019
In case of negative Economic Test IV		
TSO to inform Bidders about terminated OS procedure and termination of the contracts	12.03.2019	14.06.2019

Yours faithfully,

The National Gas Transmission Company TRANSGAZ SA
