

AUCTION CALENDAR
for year 2016,
applicable at the Csanadpalota interconnection point

By way of exception from the auction calendar published annually by ENTSOG, the auctions for the annual standard capacity products at the IP Csanadpalota, in both entry and exit directions, will be held in 2016 according to the following auction calendar:

- auctions for annual standard capacity products:

- firm: 12.09.2016;
- interruptible: 15.09.2016;

All of the auctions for the other standard capacity products will be held according to the Auction Calendar, compliant with the CAM-NC for gas year 2016/2017, published by ENTSOG at <http://www.entsog.eu/publications/capacity-allocation-cam/2016>.
