

**20 MAY 2022**

## **RELEASE**

The National Gas Transmission Company notifies all stakeholders of the fact that the National Energy Regulatory Authority issued the following orders on 18 May 2022:

*Order No 74 extending the deadline provided for in Article 2, paragraph (1) of Order No 149/2020 of the President of the National Energy Regulatory Authority on the approval of the total revenue and of the transmission tariffs related to the gas transmission on the gas transmission pipeline Isaccea 2 - Negru Voda 2 and establishing measures regarding its applicability, pursuant to which:*

- Art. 1. The deadline provided for in Article 2, paragraph (1), of Order No 149/2020 of the President of the National Energy Regulatory Authority on the approval of the total revenue and of the transmission tariffs related to the gas transmission on the gas transmission pipeline Isaccea 2 - Negru Voda 2, published in Romania's Official Journal, Part I, no. 680 / 30 July 2020, shall be extended until 30 September 2023
- Art. 2. The provisions of Order No 149/2020 of the President of the National Energy Regulatory Authority on the approval of the total revenue and of transmission tariffs related to the natural gas transmission on the gas transmission pipeline Isaccea 2 - Negru Voda 2 shall also apply to the gas transmission pipeline Isaccea 3 - Negru Voda 3.

*Order No 75 on the extension of the deadlines provided for in Order No 32/2021 of the President of the National Energy Regulatory Authority on the approval of the regulated revenue, the corrected regulated revenue and the transmission tariffs for the activity of natural gas transmission through the National Transmission System, according to which:*

- Art. 1 The deadlines provided for in Order No 32/2021 of the President of the National Energy Regulatory Authority on the approval of regulated revenue, adjusted regulated revenue and transmission tariffs for gas transmission through the National Transmission System, published in the Official Journal of Romania, Part I, No 549 of 27 May 2021, are extended until 30 September 2023;

- Art. 2 Differences resulting from the recalculation of the regulated revenue and the corrected regulated revenue for the fourth regulatory year, 1 October 2022 to 30 September 2023, of the fourth regulatory period, shall be determined and adjusted with the adjustment of the regulated revenue and approval of the revenue for the last year of the fourth regulatory period, 1 October 2023 to 30 September 2024.

Orders No 74 and No 75 of 18 May 2022 issued by the National Energy Regulatory Authority were published in the Official Journal of Romania, Part I, No 497 of 19 May 2022.

SNTGN Transgaz SA Mediaş is the technical operator of the National Gas Transmission System (NTS) and ensures the performance in terms of efficiency, transparency, safety, non-discriminatory access and competitiveness of the national strategy established for domestic and international transmission, natural gas dispatching, research and design in the field of natural gas transmission, in compliance with the national and European legislation and standards of quality, performance, environment and sustainable development.
