

*Dear stakeholders,*

**SNTGN Transgaz SA** was recently authorized by **ENTSO-E** to become **EIC Codes Local Issuing Office**.

**EIC Codes** are necessary for **ENTSO-E, ENTSO-G** and **European energy market players** to comply with their obligations arising from:

- The transparency requirements related to the gas sector– Meaning ***Annex 3 of the Regulation (EU) no. 715/2009, as subsequently amended and completed;***
- The reporting requirements provided in the ***Regulation (EU) no. 1277/2012 REMIT of the European Parliament and of the Council on the integrity and transparency of the power wholesale market and of the "REMIT Implementation Document" for the natural gas sector.***

In order to request an EIC code for the gas market in Romania, please refer to the section **Client Information < EIC. Codes**.

For any additional requests and clarifications please contact us at the email address [coduri.eic@transgaz.ro](mailto:coduri.eic@transgaz.ro).

*Best regards,*

SNTGN Transgaz SA
