

GAS WORKERS' DAY

On the occasion of "The Gas Workers' Day" to be celebrated on September 12th, 2008, TRANSQAZ management and the Trade Unions thereof seize such opportunity to express their warmest thoughts and good wishes and thanks to all employees contributing, over the years, by their professionalism, earnestness, and determination to the prestige of the Romanian gas sector; and last but not least to all domestic and foreign partners for their kind, fruitful and close co-operation with TRANSQAZ on the most diversified fields.

Hoping our message shall trim this anniversary with joy, we would like to bid all gas personnel

MANY HAPPY RETURNS OF THE DAY!
