Errata to the Report issued by the Board of Administration for 2014

The first sentence of the Report issued by the Board of Administration for 2014, page 9:

"In this context, Transgaz signed with the Exxon/Petrom consortium a complex cooperation agreement in which the company undertook the design and development of an investment program of approximately 1.5 billion euro in less than four years."

To be read:

"In this context, Transgaz signed with the Exxon/Petrom consortium a complex cooperation agreement in which the company undertook the design and development of an investment program of approximately euro 1.5 billion, according to the NTS development plan for the period 2014-2023."

Petru Ion Văduva
Director General
