

**SNTGN Transgaz SA completed the project "TransGasDigital", co-financed by the European Social Fund through the Operational Programme Human Capital 2014-2020**

SNTGN Transgaz SA has successfully completed the implementation of the "TransGasDigital" project dedicated to the professional training of the company's employees working at the head office in Mediaş or in sectors and territorial operations in less developed regions of the country. The project was carried out over 18 months, from 27 July 2021 to 28 January 2023.

**The objective of the project**, derived from General Objective 3.12 of POCU, was achieved by:

- acquiring primary and advanced ITC skills;
- developing skills in the use of IT applications specific to the activities of employees in the ITC, Design and Research departments, etc..

By **implementing the TransGasDigital project**, SNTGN Transgaz S.A. achieved the following results:

- professional development of a total of 137 employees;
- the degree of professional certification for course participants was exceeded by 3.78%, 103.78% was achieved.

The experience gained by the graduates will contribute both to their professional development by combining current working methods with innovative techniques learnt as a result of attending the courses, and to the company by increasing competitiveness and flexibility. SNTGN Transgaz SA believes that in order to maintain the high standards of a benchmark company in the energy sector and to be able to adapt to the dynamics of the sector, especially in the current context, investment in the development of its human resources is essential.

**The total value of the project is Lei 3,337,440.74, of which Lei 1,147,461.29** is non-reimbursable funding from the European Social Fund (ESF), through the Operational Programme Human Capital 2014 - 2020, Axis 3 - Jobs for all, Thematic Objective 8 - Promoting sustainable and quality employment and supporting labour mobility, Investment Priority 10iii/ OS 3. 12 "improving the level of knowledge/competences/skills related to the economic sectors/areas identified according to the National Research Strategy and the National Research, Development and Innovation Strategy of employees".
